

# TOTAL C PROFESSIONAL DRAIN TREATMENT

Total C is a safe and easy biological way to keep your pipes clean, fresh, and free flowing. It uses natural citrus liquefiers, fast acting enzymes, and beneficial bacteria to dissolve grease, oils, fats, and organic buildup—without harsh acids or chemicals.

## WHY TOTAL C?

- Improves drain flow
- Effective odor control
- 100% biodegradable & eco friendly
- Safe for septic systems
- Non corrosive, non flammable, non hazardous

## GREAT FOR USE IN:

- Kitchen drains & disposals
- Floor drains
- Bathrooms & restrooms
- Laundry & wash rooms
- Sewers & septic systems

We are an exclusive dealer representing Northeast Ohio and here to help with all your camera, jetting, sewer, septic, and water needs.

## SPECIAL PRICING

- One concentrate: \$49.99
- Buy two to last the whole year and get \$5 OFF each concentrate!
